Target for capacity addition of power generation

6112. SHRI SURESH PACHOURI: Will the Minister of POWER be pleased to state:

(a) whether Government have fixed targets for 1995-96 for addition of power generation to the present installed capacity of power generation in the country;

(b) if so, the details thereof;

(c) whether Government have also fixed targets for the improvement of power generation capacity in Madhya Pradesh;

(d) if so, the details thereof; and

(e) if not, the reasons therefor and in what manner Government propose to improve power generation in Madhya Pradesh?

THE MINISTER OF STATE IN THE MINISTRY OF POWER (SHRIMATI URMILA CHIMANBHAI PATEL): (a) and (b) The capacity addition target fixed by Government for the year 1995-96 is 2161.53 MW consisting of 421.53 MW Hydro and 1740 MW Thermal.

(c) to (e) No State Sector project in Madhya Pradesh is scheduled for commissioning in the year 1995-96. However, Madhya Pradesh will get its share from the Sardar Sarovar

(Joint Sector Project) which will add 150 MW capacity in the year 1995-96.

Foreign private companies in power sector

6113. SHRI SANATAN BISI: Will the Minister of POWER be pleased to state the main factors being taken into consideration regarding the entry of foreign private companies in power sector before counter guarantee is provided by Government in their favour?

THE MINISTER OF STATE IN THE MINISTRY OF POWER (SHRIMATI URMILA CHIMANBHAI PATEL): Power projects being capital intensive, success of the Private power policy naturally depends upon a positive response from the foreign investors, given the limitation of availability of funds with the Public Sector and also in the domestic market. In the absence of State Electricity Boards/State Governments being credit rated, it was felt that it is essential to extend Government of India counter guarantee to some initial projects to create confidence among the international investors/ lenders. Subsequently, Government of India decided to extend counter guarantee only to 8 initial projects cleared from foreign investment angle. Counter Guarantee is finalised, inter-alia, only upon the techno-economic viability of the project and reasonableness of the tariff being established.

Power from southern grid to Karnataka

6114. SHRI K. RAHMAN KHAN: Will the Minister of POWER be pleased to state:

(a) whether the Government of Andhra Pradesh is drawing more than its share of power from southern grid during the last two months;

(b) whether this action of the Andhra Pradesh Government has deprived Karnataka of its legitimate share of power from the southern grid; and

(c) whether the Government of Karnataka has brought this irregularity to the notice of the Central Government, if so, what action is being taken to provide the legitimate share of power to Karnataka?

THE MINISTER OF STATE IN THE MINISTRY OF POWER (SHRIMATI URMILA CHIMANBHAI PATEL): (a) Yes, Sir.

(b) Yes, Sir.

(c) Government of Karnataka has brought to the notice of the Central Government regarding overdrawal of power by APSEB. Andhra Pradesh, as well as other constituents of Southern Region, have been directed to draw power strictly according to their respective shares, and maintain stirct grid discipline, Southern Regional Electricity Board (SREB) and Powergrid are continquously monitoring implementation of the directives and are taking appropriate remedial measures.

Private Power Projects

6115. DR. BAPU KALDATE: Will the Minister of POWER be pleased to state:

(a) whether Government's attention has been drawn to news item appearing in the Economic Times dated the 10th January, 1995 under the heading 'Private Power Projects fail to take off';

(b) if so, what are the details thereof;

(c) whether it is also a fact that private sector power projects are not
